No.	Question	Answer
1.	Weather the criterion “the tenderer has delivered supplies under at least 1 contract with a budget of at least of the financial offer of tenderer, which was implemented during the following period: 3 years from the submission deadline” refers only to delivered supplies (goods) or to delivered goods and accompanying services, like warranty and shipment? Other words, is it sufficient that tenderer has delivered only goods in the amount of the budget of the financial offer of goods, and not accompanying services too?	Criterion “the tenderer has delivered supplies under at least 1 contract with a budget of at least of the financial offer of tenderer, which was implemented during the following period: 3 years from the submission deadline” refers only to delivered supplies (goods).
